

✓ Check ✓ Plan ✓ Do

When a power outage happens to you, **know what to do**.

Plan ahead. Stay safe.

If you or someone in your home uses essential medical equipment, don't wait for an emergency. Make sure you're protected.

Contact your electricity provider to ensure your contact details are up to date and your medical equipment is registered.

Scan this QR code to get started.

Complete your Power Outage Plan so you can:

Stay connected and supported during power outages.

Get the right notifications – when they matter most.

Give yourself and your household peace of mind.
